

<p>1.</p>	<p>Mr. Arun Hastimal Firodia (Chairman – Non Executive Director) DIN: 00057324 Date of Appointment: July 01, 1987</p> <p>Padma Shri Mr. Arun Firodia is a distinguished industrialist, visionary engineer, and committed social activist. A graduate of IIT Bombay (B.Tech, Electrical Engineering, 1965) with distinction and an alumnus of the prestigious Massachusetts Institute of Technology (MIT), Dr. Firodia has combined technological brilliance with entrepreneurial spirit to revolutionize the Indian automotive industry.</p> <p>As the Founder and Chairman of Kinetic Group, Mr. Firodia pioneered the development of Luna—India’s first entirely indigenous moped—which became an iconic success story. He was instrumental in introducing advanced scooter technology to India through a landmark joint venture with Honda Motor Company of Japan. His efforts paved the way for a new era of affordable personal mobility in India. Throughout his illustrious career, Dr. Firodia has collaborated with global corporations such as Hyundai, Taigene, Sciaky, Daewoo, and San Yang to bring cutting-edge innovation to Indian manufacturing.</p> <p>Deeply committed to science and societal development, Mr. Firodia founded the H. K. Firodia Memorial Foundation in 1996 in memory of his father, the late Shri H. K. Firodia. The Foundation annually presents the prestigious H. K. Firodia Awards for Excellence in Science & Technology to India’s most outstanding scientists and researchers, including luminaries like Dr. A. P. J. Abdul Kalam and Prof. C. N. R. Rao.</p> <p>As of March 31, 2026, Mr. Arun Hastimal Firodia holds directorship positions in Kinetic Engineering Limited, Jaya Hind Mechanics Limited, Motoroyale India Private Limited, Kinetic Marketing And Services Limited, MV Agusta India Private Limited, Kinetic Taigene Electrical Company Pvt Ltd.</p>	
<p>2.</p>	<p>Mr. Ajinkya Arun Firodia (Vice Chairman - Managing Director) DIN: 00332204 Date of Appointment: April 06, 2009</p> <p>Ajinkya Firodia is the Vice Chairman & Managing Director of Kinetic Engineering Ltd., and a proud member of the illustrious Firodia family, pioneers of India’s automobile industry for over five decades.</p> <p>A magna cum laude graduate from the Ivy League’s Brown University (USA) in 2001, Ajinkya holds a dual degree in Engineering and Economics. He began his professional journey with JP Morgan Chase as a financial analyst in the M&A division of its investment banking arm, gaining critical global exposure. Upon returning to India, Ajinkya joined the family business, leading sales, marketing, product development, and service for Kinetic’s two-wheeler division across the country. Under his leadership, the company launched several successful products through global collaborations and underwent a brand transformation that included dealership network modernization and identity overhaul.</p> <p>As the driving force behind Kinetic Engineering’s strategic pivot, Ajinkya led the company’s evolution from a legacy two-wheeler manufacturer to a global auto-component</p>	

powerhouse, specializing in transmission assemblies. This turnaround involved comprehensive cultural, technological, and financial restructuring with an eye on sustainability and long-term value creation. A passionate superbike enthusiast, Ajinkya also founded India's first multi-brand superbike retail venture, Motoroyale, introducing iconic global marques like MV Agusta, Norton, SWM, Mondial, and Hyosung to Indian enthusiasts.

With a visionary mindset, he continues to spearhead the group's entry into the electric vehicle ecosystem—driving initiatives in EV components such as motors, controllers, batteries, gearboxes, and axles.

Deeply committed to innovation and entrepreneurship, Ajinkya has actively supported several start-ups and expanded product portfolios across Kinetic Group companies, ensuring that innovation remains at the heart of its DNA.

As of March 31, 2026, Mr. Ajinkya Arun Firodia holds directorship positions in Kinetic Engineering Limited, Jaya Hind Mechanics Limited, Motoroyale India Private Limited, MV Agusta India Private Limited, Kinetic Marketing And Services Limited, Motoroyale Kinetic Private Limited, Kinetic Watts and Volts Limited, Kinetic Hyundai elevator And Movement Technologies Limited.
